

Goffs School wins award for exceptional 2015 results

Goffs School has been nationally recognised for its exceptional 2015 performance by the Schools, Students and Teachers network (SSA). Educational Outcomes data analysis from SSAT has shown that Goffs is in the top 20% of non-selective schools nationally for high average grades achieved by students.

Sue Williamson, Chief Executive of SSAT said:

"It's my great pleasure to commend Goffs School on their excellent 2015 performance, and to have the opportunity to highlight and share their great work at the SSAT Educational Outcomes regional celebration evening. I have the privilege of visiting a lot of schools and I am always impressed by the creativity of teachers in engaging and inspiring their students.

I hope that SSAT's Educational Outcomes award will highlight the professionalism, commitment and hard work of the leaders, teachers and students at Goffs School. Recognising and sharing successes like this is at the heart of SSAT's mission, so I am delighted to congratulate Goffs School on their achievement."
